

Fleet Sale Announcement – West Hills Golf Club

Good afternoon,

West Hills Golf Club, located in Fredericton, New Brunswick, will be offering its fleet of 72 electric golf carts for sale at the conclusion of the 2025 golf season.

Fleet Details:

All units are navy blue Club Car Tempo electric models, powered by six lead-acid batteries. The fleet breakdown is as follows:

- **2022 Models** – 37 units
- **2023 Models** – 35 units

The carts are professionally maintained throughout the golf season and undergo reconditioning during the off-season. Batteries are original to each model year but remain in good condition due to regular maintenance.

Pricing:

Pricing is negotiable based on model year and quantity purchased.

For more information or to express interest in purchasing all or part of the fleet, please contact:
