

Job Posting: Assistant Golf Course Superintendent – Mill River Golf Course

Location: Mill River Resort, Woodstock, Prince Edward Island

Employment Type: Full-Time, Year-Round

About Mill River Resort:

Mill River Resort is one of Prince Edward Island's premier golf and recreation destinations, featuring a championship 18-hole golf course and a variety of year-round amenities — including cross-country ski trails, a skating rink, tubing hill, and walking trails throughout the winter months.

We are seeking a motivated and dependable Assistant Golf Course Superintendent to join our team. This is a year-round position, offering a unique opportunity to work outdoors in all seasons — from maintaining our golf course to helping operate our winter recreation facilities.

Position Overview:

Reporting directly to the Golf Course Superintendent, the Assistant Superintendent will assist in maintaining the golf course to the highest standards while also supporting other areas of resort operations during the winter season. This position is ideal for someone who enjoys hands-on, outdoor work and takes pride in achieving excellent results.

Key Responsibilities:

Golf Season (Spring–Fall):

- Assist the Superintendent in daily golf course maintenance operations, including mowing, irrigation, fertilization, and pest management.
- Supervise, train, and lead seasonal staff to ensure safe, efficient, and high-quality work.
- Help plan and execute fertility and spray programs under the guidance of the Superintendent.
- Participate in cultural practices such as aeration, topdressing, and overseeding.
- Monitor turf health, moisture levels, and course conditions, and report any issues.
- Safely operate and maintain golf course equipment.

Winter Season (Winter Recreation Program):

- Assist with the setup and maintenance of ski trails, skating rinks, tubing hills, and walking trails.
 - Operate winter maintenance equipment and assist with snow removal.
 - Support general resort maintenance and other Mill River operations as required.
-

Qualifications:

- Turf management experience or education is an asset — however, training will be provided for the right individual.
 - Basic understanding of grass growth, soil management, and plant fertility required.
 - Must enjoy working outdoors in all weather conditions.
 - Ability to work long or unpredictable hours when necessary to complete critical tasks.
 - Strong leadership, communication, and teamwork skills.
 - Valid PEI Landscape Pesticide Applicator License or willingness to obtain within the first few months of employment (employer will cover certification costs).
 - Valid driver's license required.
 - Being a golfer or having an interest in the game of golf is considered an asset.
-

Compensation & Benefits:

- Competitive wage or salary based on experience.
 - Year-round employment with seasonal variety.
 - Comprehensive health benefits package.
 - Professional development and training opportunities.
 - Resort discounts and access to Mill River Resort amenities.
-

How to Apply:

Interested applicants should submit their résumé and a brief cover letter to:
