

Blomidon Golf Club
Corner Brook, Newfoundland

Golf Course Superintendent

\$70,000 – \$90,000 per year, based on experience

Contract: 2-3 Years, Terms are negotiable

Our Course:

Located on the west coast of Newfoundland, Blomidon Golf Club is an 18-hole, par-70 course in the heart of the City of Corner Brook. Our 300 + members get to experience our beautiful views of the city, mountains and the Bay of Islands, making our course the perfect getaway for golfers in the area. We are looking to hire a Golf Course Superintendent to lead our agronomic program and grounds team into a new vision and future for the course.

Position/Responsibilities:

- Oversee all aspects of golf course maintenance, including turf management, irrigation, fertilization, and pest control
- Monitor, operate, maintain and optimize the club's irrigation system (Rain Bird).
- Develop and implement agronomic plans to maintain high-quality playing conditions throughout the season
- Ensure compliance with all regulations related to pesticide use, environmental protection, and workplace safety
- Maintain accurate records of chemical applications, water usage, and maintenance activities
- Work closely with our Head of Maintenance as you lead, develop and supervise our crew
- Work closely with the club's mechanic to schedule the routine and ongoing maintenance on all equipment.
- Actively participate in the development of the Clubs course improvement plans.
- Work closely with the General Manager and Board to support club operations and long-term planning
- Develop and implement a long-term vision for course enhancement, sustainability, and innovation, keeping abreast of industry trends, technology, and best practices.

Essential Skills & Attributes

- Irrigation System – Ability to identify and fix issues with system. Familiarity with Rain Bird, both computer and manual operations.
- Strategic Planning - Proficient in developing actionable plans aligned with long-term goals for course development and maintenance.
- Problem-Solving - Resourceful in identifying issues, analysing options, and implementing effective solutions.
- Leadership – Demonstrates the ability to establish clear direction, inspire confidence, and drive positive outcomes within the Grounds team.

Blomidon Golf Club

Corner Brook, Newfoundland
