OCEANVIEW GOLF COURSE

ASSISTANT GOLF COURSE SUPERINTENDENT

Summerside, Prince Edward Island | Full-Time

Help build the course. Help lead the team. Grow with Oceanview.

Oceanview Golf Course is seeking a motivated, hands-on **Assistant Golf Course Superintendent** to play a key role in the construction completion, turf grow-in, opening and ongoing maintenance of our new golf course in Summerside, PEI.

Working closely with the Golf Course Superintendent, this position combines day-to-day leadership with hands-on turf, irrigation, equipment and construction work. It is an excellent opportunity for a developing turf professional who wants meaningful responsibility and the experience of helping bring a new golf course to life.

THE OPPORTUNITY

The Assistant Superintendent will help coordinate daily staff, turf programs, irrigation, equipment, materials and construction-completion activities. You will work alongside the team in the field, help establish Oceanview's maintenance standards, and take on increasing leadership responsibility as the course transitions into full operations.

KEY RESPONSIBILITIES

- **Support daily operations:** assist the Superintendent with golf course construction, grow-in and maintenance priorities.
- **Lead the team:** help supervise, organize and coordinate turf and maintenance staff, contractors and daily work assignments.
- **Plan the work:** assist with daily and weekly priorities, labour, equipment, materials and project scheduling.
- **Establish the turf:** support seeding, fertilizing, irrigation, mowing and cultural practices throughout the grow-in.
- **Protect course conditions:** monitor turf health and playing surfaces, identify concerns and communicate corrective needs.
- **Manage water:** assist with irrigation operation, monitoring, repairs, troubleshooting and water-management practices.
- **Finish the course:** participate in drainage, landscaping, course finishing and other construction-related projects.
- **Build standards:** help establish and implement consistent golf course maintenance and presentation standards.
- **Develop employees:** train and support staff in equipment operation, maintenance procedures, safe work practices and quality expectations.
- **Stay hands-on:** operate golf course maintenance and construction equipment when required.
- **Drive execution:** ensure assigned work is completed efficiently, safely and to established quality standards.
- **Support administration:** assist with operational, maintenance and project records as required.
- **Protect compliance:** support environmental, regulatory and workplace-safety practices.
- **Step up when needed:** assume additional supervisory responsibilities in the Superintendent's absence.
- **Build the culture:** contribute to a positive, productive and professional team environment.

WHAT WE'RE LOOKING FOR

- Experience in golf course maintenance, turf management, landscaping, construction or grounds maintenance preferred.
- Previous supervisory, crew-lead or team-lead experience is an asset.
- Working knowledge of turf maintenance, irrigation, drainage and equipment operation.
- Strong organizational, communication and problem-solving skills.
- Ability to lead by example and work effectively alongside staff.
- Strong attention to detail and a genuine commitment to quality course conditions.
- Ability to work outdoors and adapt to changing weather, construction schedules and course conditions.
- Valid driver's licence preferred.
- Turfgrass education, pesticide/applicator credentials, irrigation training or related certifications are assets.

WHY OCEANVIEW?

This is a unique opportunity to participate in the grow-in and opening of a new golf course and gain experience across both golf course construction and long-term turf management. The Assistant Superintendent will work directly with experienced leadership and have the opportunity to take on increasing responsibility as Oceanview moves from construction through opening and into full operations.
