OCEANVIEW GOLF COURSE

CONSTRUCTION TEAM LEAD - TURF & GROUNDS

Summerside, Prince Edward Island | Full-Time / Seasonal

Help build it. Grow it in. Set the standard.

This is an opportunity to help bring a new golf course to life. It will be a leadership role in completing construction of the exciting new Oceanview Golf Course as well as development and landscaping of the nine hole executive course. We are seeking a dependable, motivated and hands-on Team Lead to help complete construction, establish turf, shape the property and build the day-to-day standards that will carry the course into opening and full operations. The resort property will also require extensive landscaping before complete opening in coming years.

If you take pride in great golf-course conditions, enjoy leading people in the field, and want to be part of a grow-in from the ground up, we want to hear from you.

THE OPPORTUNITY

The CONSTRUCTION TEAM LEADER will be part of the planning for construction and implementation to complete the golf course and resort property. They will work alongside the crew every day while helping organize people, equipment and materials. You will play a key role in the course's construction-completion and grow-in phase, then help transition the property into consistent, high-quality daily maintenance.

WHAT YOU'LL LEAD & DO

- **Lead from the field:** organize and guide small crews completing turf, landscaping, grow-in and course-maintenance work.
- **Execute the daily plan:** Develop priorities from the management team meetings into clear crew assignments and quality results.
- **Build the golf course:** participate directly in seeding, turf establishment, course finishing, landscaping and construction-completion projects.
- **Protect turf quality:** assist with mowing, trimming, fertilizing, irrigation monitoring, drainage and water-management work.
- **Operate equipment:** safely use tractors, mowers, utility vehicles, seeders and other golf-course, landscape and construction equipment.
- **Develop the team:** help train employees on equipment operation, maintenance practices, safe work procedures and expected standards.
- **Own the details: monitor work quality and progress,** identify issues early and communicate them promptly to course leadership.
- **Set the standard:** keep work areas and equipment clean, safe and organized while contributing to a positive, accountable team culture.

WHAT WE'RE LOOKING FOR

- Experience in golf course construction and maintenance, turf, landscaping, agriculture, construction or grounds maintenance.
- Previous crew-lead, supervisory or team-lead experience is an asset.
- Comfort operating tractors, mowers, landscape or construction equipment.

- A strong work ethic, dependable attendance and the ability to take ownership of assigned work.
- Clear, respectful communication and the ability to motivate people while working alongside them.
- Strong attention to detail and pride in producing high-quality work.
- Ability to work outdoors in changing weather and meet the physical demands of golf-course and landscape work.
- Valid driver's licence preferred.

OCEANVIEW GOLF COURSE

TEAM LEAD - TURF & GROUNDS

Summerside, Prince Edward Island | Full-Time / Seasonal

- Turfgrass education, irrigation experience, pesticide/applicator credentials or related certifications are assets, but not required.

WHY OCEANVIEW?

Few turf professionals get the chance to join a golf course during its grow-in and help establish the standards, culture and presentation from the beginning. This role offers hands-on exposure to construction completion, turf establishment, irrigation, drainage, equipment and crew leadership - experience that can accelerate a career in golf-course management.

COMPENSATION & GROWTH

Compensation: Competitive and based on experience and qualifications.

Start date: To be determined.

Term: This will be approximately a nine month term for the next several years as the resort property develops

Career path: The right individual will have the opportunity to take on additional responsibility as Oceanview moves through grow-in, opening and full operations.
